

A hand is shown in silhouette, pointing its index finger towards a glowing network diagram. The diagram consists of numerous white nodes connected by thin white lines, forming a complex web. The nodes are illuminated with a bright blue light, creating a lens flare effect. The background is a dark blue gradient.

# Cisco Wireless Strategic Update

# Top of mind

- Our Vision
- Org Change – Cisco Wireless (Not just EN, Not just MR)
- Key areas of Focus (FY23)
  - Customer Empathy: Wi-Fi 6/6E
  - Continued interest and investment in On-Prem
  - Hyper investment in architecture that helps us win in the Cloud-First world
  - Prime to DNAC/Meraki migration

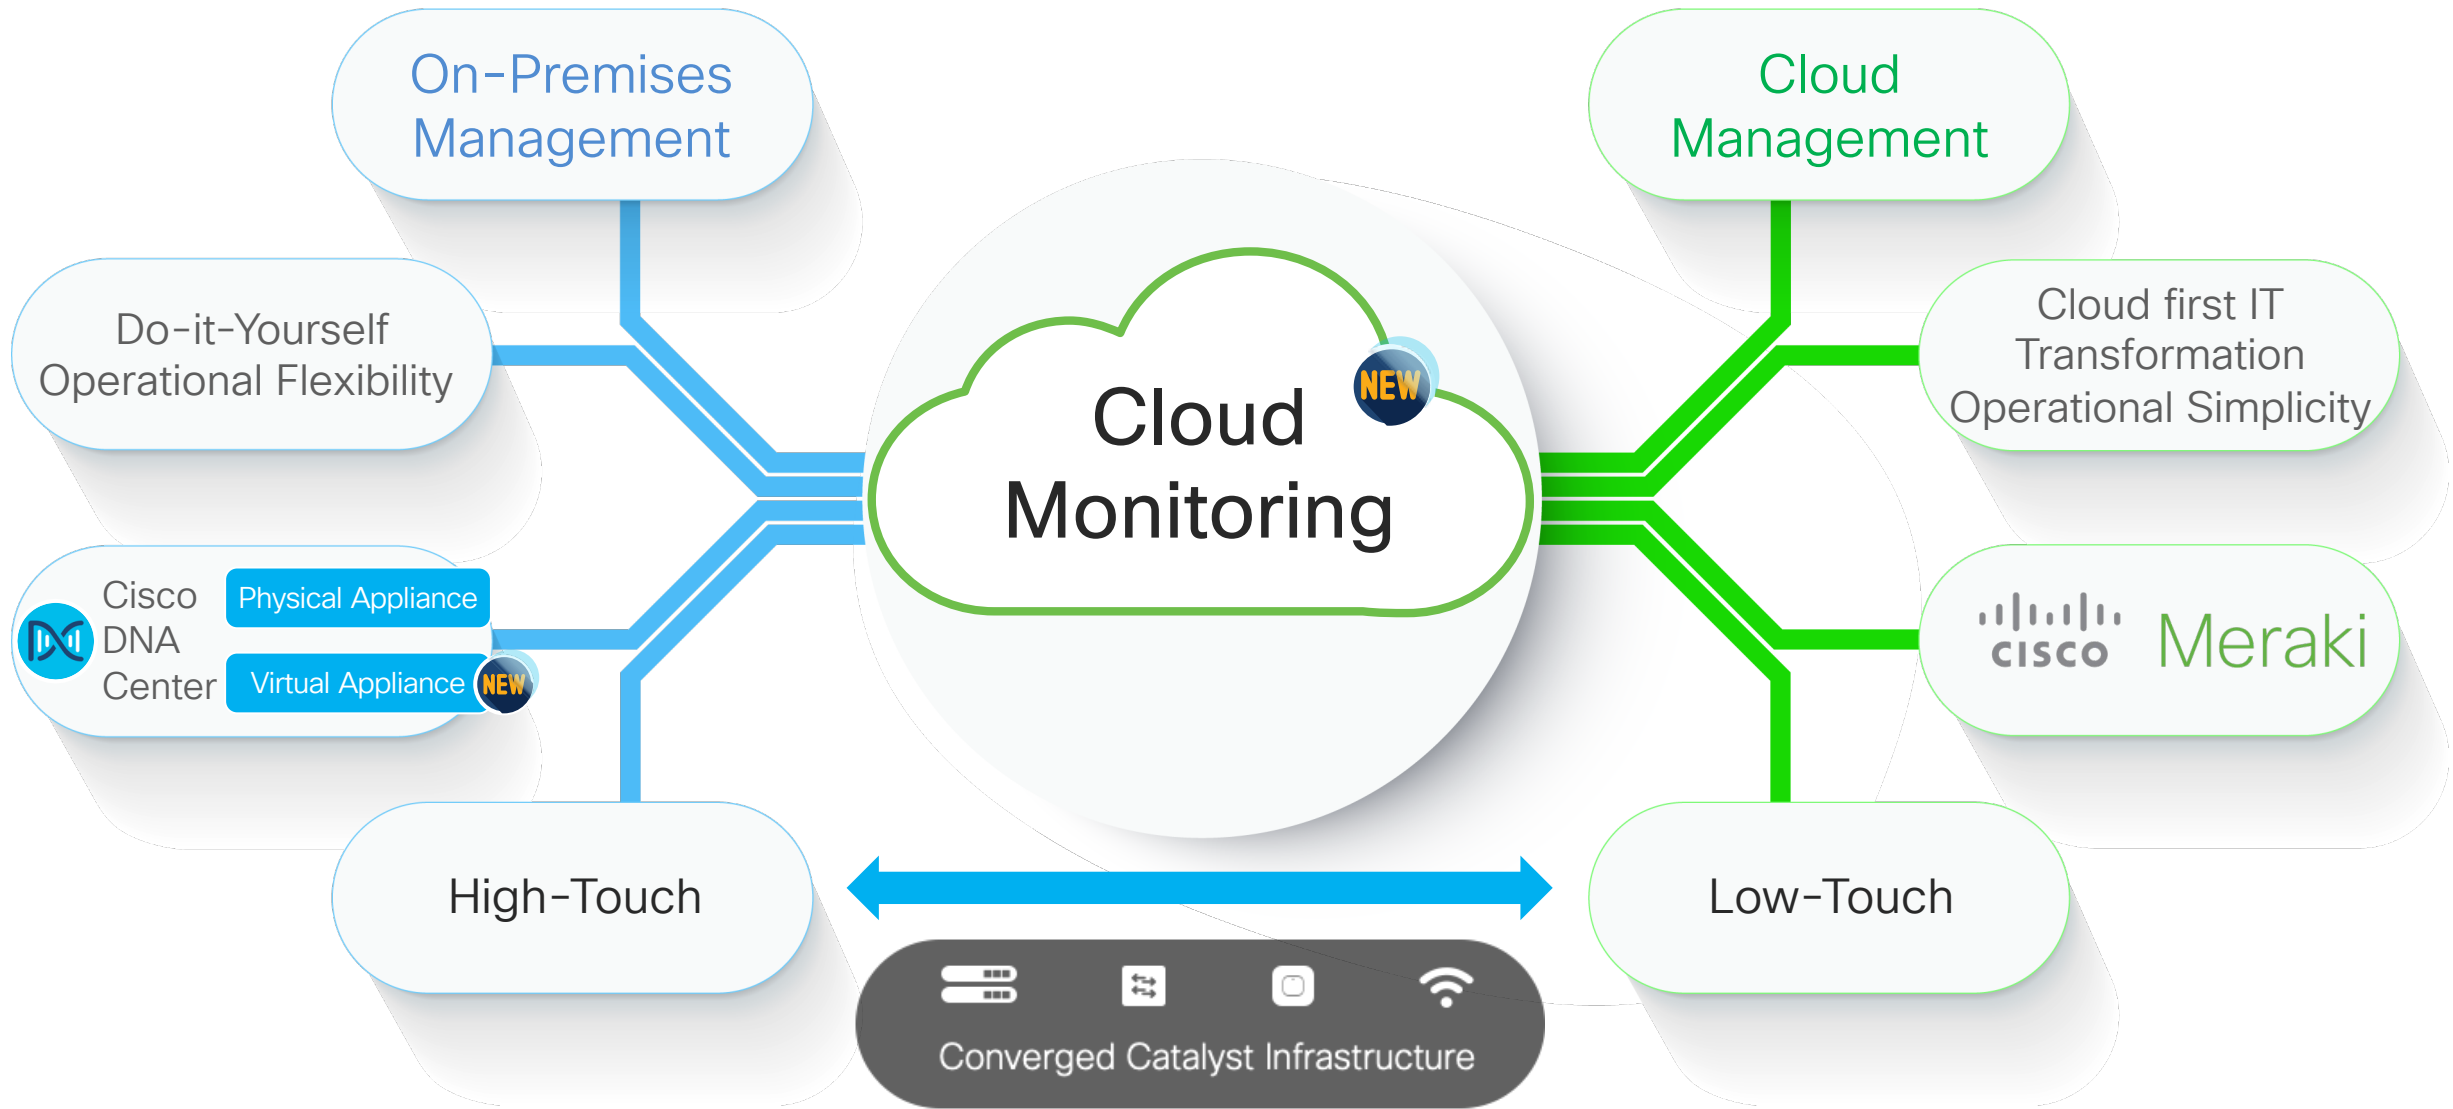

# Our Vision

The background features a silhouette of a hand reaching out from the right side towards a complex network of glowing nodes and connecting lines. The nodes are small circles, some of which are larger and more prominent. The lines are thin and white, creating a web-like structure. The overall color palette is a mix of warm oranges and yellows from the sunset, and cooler blues and greys from the sky. The hand is positioned as if it is about to grasp or interact with the network.

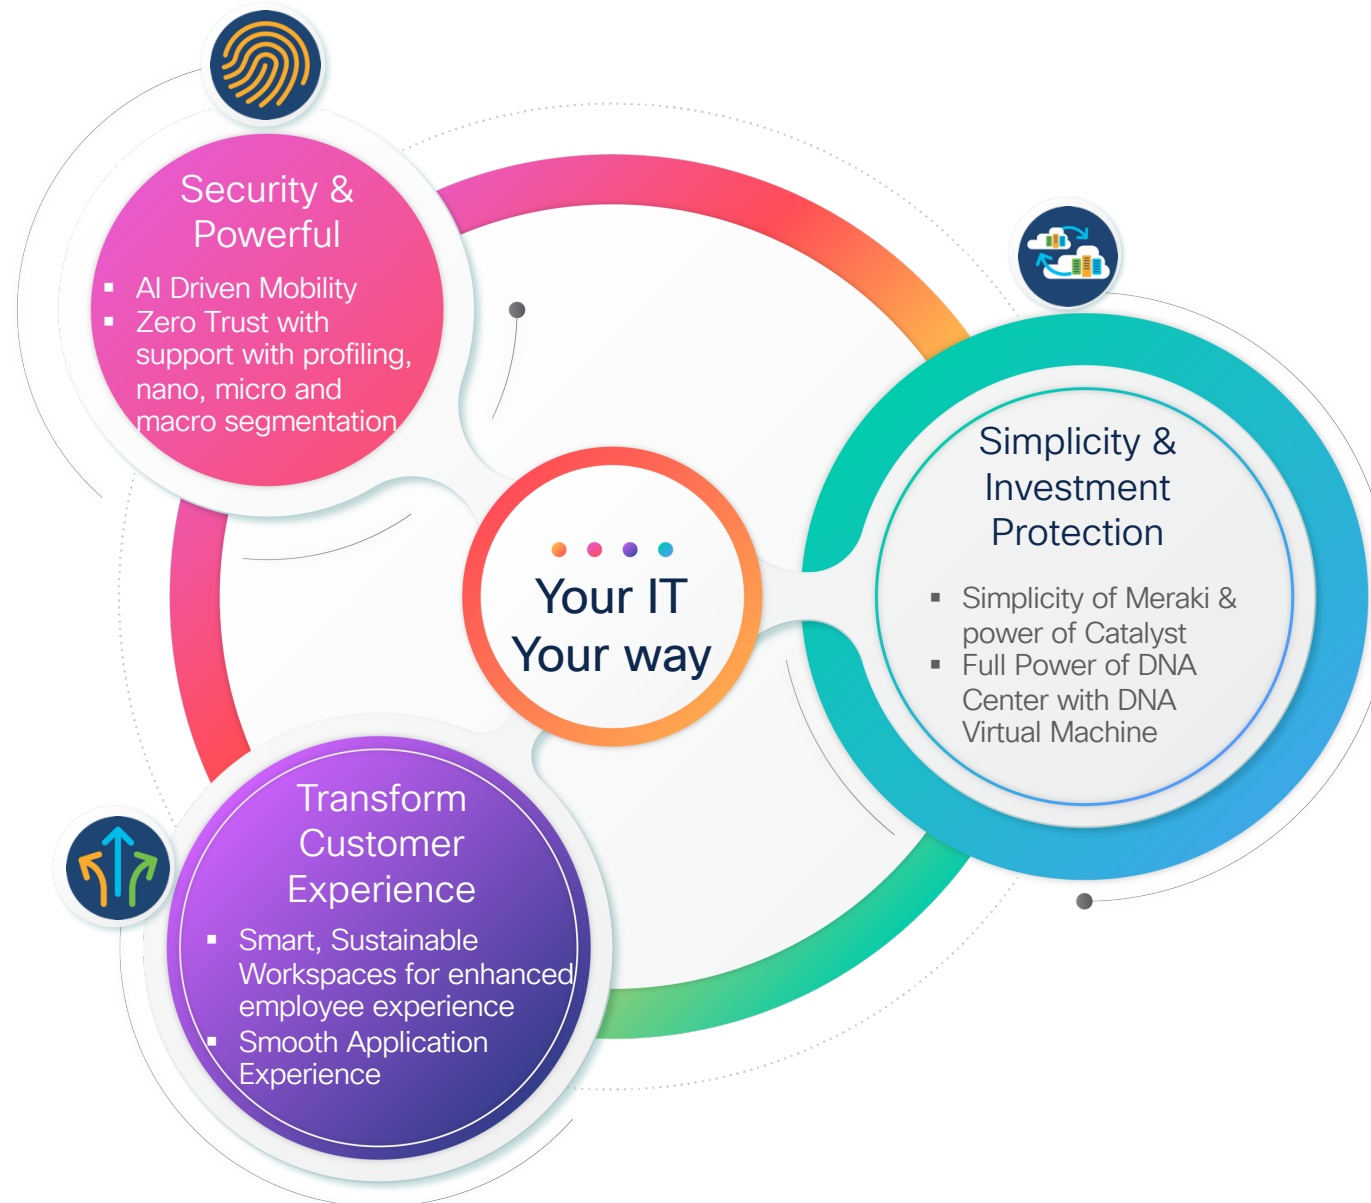

**Transform** customer experiences by **simplifying** powerful and **secure** networking
